Best November EVER!

722 homes sold in November 2016, 15.3% over last November and the best November since the London and St. Thomas Association of REALTORS® (LSTAR) began keeping track in 1978. “To get to the runner up for best November ever, you have to go back twenty years to 1996, when 673 homes exchanged hands,” says Stacey Evoy, LSTAR’s 2016 President, noting that 2016 continues to break records, scoring the best September, April, June, August, October, and now November – six months in total. Year to Date, sales are up 9.8%

Listings were down 12.5% in November, while inventory – as represented by the number of active listings at month end -- was down 36.6%. “If you have thoughts of listing your home, now is a perfect time to do so. As we have seen throughout 2016, we have a high demand with a low supply. Timing is perfect,” says Evoy.

Sales were also very brisk in London’s Sister City of St. Thomas. 70 homes exchanged hands in that City, up 12.9% from the previous year. The average price for a home in St. Thomas stands, Year to Date, at \$231,444, up 6.8%.
